

# DIGITAL DOTS

"Not Just Ads. A Strategy That Sells."

# Helping Brands Grow Digitally

since **TWENTY18**

Founded in 2018, we're proud to be a trusted name among India's leading **digital marketing agencies.**

**7 Years  
of Strategy,  
Creativity & Results.**

# Meet Our Founders:

## Founder (Leadership Focus)

The vision behind Digital Dots began with a leader who didn't just follow trends - but shaped them. With strategic thinking and creative edge, the brand was built to help others cut through digital noise and create lasting impact. The journey continues to be driven by innovation, trust, and results.

**ISHAN GARG**

---

## Creative Head (Creative Focus)

At the core of Digital Dots' creative journey is a mind that turns strategies into stories that connect. With an eye for detail and a passion for branding, every idea is shaped into a meaningful digital experience - bringing the vision to life with heart and clarity.

**RYDHAM MAHAJAN**
